

GOLDEN DORADO COMBINATION TRIP- Hosted by John Field

This one-of-a-kind pairing allows anglers six full-fishing days at two of our premier Dorado operations: three days on the middle section of the Paraná River out of Karandá Lodge, known for its large-sized dorados, coupled with another three days on the diverse waters of the Iberá Marshland out of Pira Lodge, known for its numbers. **(See brochure for full travel and other details.)**

The seven-night program gives guests the ability to rotate lodges in the middle of the week. Begin at Karandá and then transfer to Pirá, or vice versa. No matter where you decide to start, you'll fish two of the most consistent environments for Golden Dorado that Argentina has to offer.

Combination **Pirá** plus **Karandá**, Sept 13th to 20th (7 nights & 6 days fishing). Week costs \$7,950.00 p/person all included except ground transfers that will depend on amount of guests. Rates are in USD per person, based on shared occupancy and boat
